Docket No. H-122
Room N-2656
200 Constitution Ave, N.W.
Washington, D.C. 20210

OSHA

I am writing this letter because I have been smoking for 40 years.
I request that accommodations be made for smokers as well as non-smokers.
This action is preferable to outright bans.
This action should allow businesses flexibility at a modest cost to
accommodate both groups.

Thank You
Mr. Kenneth Underhill
